A Cultural Experience

The important connection to our history, culture, and heritage is evident every day, but even more so on Shabbat. The whole camp gets together as one big family. Shabbat programming is geared for all campers and staff to take the time to relax, reflect, and participate in activities that are different from the usual daily programming. Jewish history and the modern world, Jewish community issues, Israel, social tolerance and acceptance, racism and intolerance, and human rights are just a few of the many topics that are explored during our Shabbat learning sessions.

Lifelong Friendships

The spirit of Camp BB Riback can be felt from the first meeting in the morning to the friendship circle ending the night. Several times per session, a lunchtime sing-song brings the camp together. At the end of each session, a camp wide competition called Maccabia raises the excitement to new levels. Most importantly, a sense of brotherhood and sisterhood is fostered in the cabin units. Campers not only enjoy themselves but leave with new lifelong friendships.

You Can Help Pass on the Magic

Since 1955, over 20,000 young campers and staff have passed through the welcoming gates of Camp BB Riback. After five decades, Camp BB Riback continues to offer our children and grandchildren a safe environment to make lifelong friends, memories, and unique connections to their Jewish heritage. To ensure the magic of Camp BB Riback continues, a Legacy Fund has been established for continued funding. This fundraising effort will address capital improvements in areas such as program enhancement, building replacement and infrastructure upgrades.
